IPMV 2020
August 5-7, 2020
Bangkok, Thailand

About IPMV
2020 2nd International Conference on Image Processing and Machine Vision (IPMV 2020) will be held in Bangkok, Thailand on August 5-7, 2020. IPMV 2019 was held successfully in Shandong University, Weihai, China on September 28-30, 2019.

Publication
Accepted and presented papers will be published into Conference Proceedings by ACM (ISBN: 978-1-4503-8841-2) which will be submitted and reviewed by Ei Compendex and Scopus Index.

Conference Committees
Advisory Committee
Prof. Liming (Luke) Chen, De Montfort University, UK
Conference Chair
Prof. Yifei Pu, Sichuan University, China
Program Chair
Prof. Fehmi Jaafar, Computer Research Institute of Montreal and Concordia University of Edmonton, Canada

Call for papers
Face and gesture recognition
Early and biologically inspired vision
Motion, flow and tracking
Segmentation and grouping
Model-based vision
Image processing techniques and methods
Texture, shape and colour
Video analysis
Document processing and recognition
Vision for visualization, interaction, and graphics
RGBD analysis
